

“ Sani Suds is the **environmentally responsible** system that places hygiene above all and allows **lower cost per use!** ”

Specifications
Case Pack: 6 each
Case Weight: 13 lbs.
Case Cube: 1.41

Improves Hygiene

Automated touchless dispensing along with high performance formulas help minimize the risk of cross contamination.

Environment

High capacity, reduced packaging, controlled usage, and recyclable materials help maintain environmental sustainability.

Performance

Automatic sensor technology that operates on 6 long lasting “AA” alkaline batteries provides reliable touchless dispensing.

Style

Touchless design enhances and compliments any facility. Available in Black (BK), Ice Blue (ICE), Dark (TS), and White (WH). Please check with current supplier for minimums and availability.

Stands

Floor and table-top stands promote proper hand hygiene and provide ready access to high traffic areas.
